

Programme structure(s) and requirements, levels and modules**Requirements**

Students must take a minimum of 135 credits in German modules and 120 credits in European Studies modules in addition to the Year Abroad module in German over the period of their studies. The Year Abroad is worth 120 credits and is a compulsory and integral part of the degree programme. Exceptionally the School can exempt students from the Year Abroad. These students will submit a change of programme form to change their degree to a 3-year degree programme. The programme requirements for the 3 year variant are exactly the same as for the 4 year programme but without the Year Abroad requirements.
