

RQ21 German and Linguistics (2009-10 entry onwards)

NB 2008-09 entry requirements are identical for second and final years. First year Linguistics requirements were 30 Credits compulsory Foundations of Linguistics and 15 credits LINcoded options at level 4

Programme structure(s) and requirements, levels and modules

Requirements

Students must take a minimum of 135 credits in German modules and 135 credits in Linguistics modules in addition to the Year Abroad module in German over the period of their studies. The Year Abroad is worth 120 credits and is a compulsory and integral part of the degree programme. Exceptionally the School can exempt students from the Year Abroad. These students will submit a change of programme form to change their degree to a 3-year degree. The programme requirements for the 3 year variant are exactly the same as for the 4 year programme but without the Year Abroad requirements.

Structure

Students are separated into 4 language streams and follow the degree pathways as follows

Progression Requirements to Year Abroad/Final Year

To successfully progress to the Year Abroad (or Final Year for exempted students) students must pass a minimum of 180 credits from their first and second years including the core language module. Exceptionally the School may progress a student to the Year Abroad if the student has passed 180 credits from their first and second year but not the core language module. The student must re-sit the failed core language module during the following academic year and may not progress to final year from the Year Abroad until this hurdle has been passed.

Year Abroad

120 Credits compulsory **German Year Abroad** module.
